

**REMARKS**

In a final office action dated 26 January 2005, the Examiner rejects claims 19, 20, 23-28 and 31-34 (all pending claims) and objects to the drawings. In response to the rejections, Applicants amend claims 19, 23, 27, and 31. Applicants also cancel claims 20 and 28. Claims 19, 23-27, and 31-34 remain in the application. In light of the argument set forth below, Applicants respectfully request that all pending claims be allowed.

Applicants submit new formal drawings to correct the informalities cited by the draftsman.

Applicants have amended claims 19 and 27 to include the subject matter of claims 20 and 28 which the Examiner has stated is allowable. Therefore, claims 19 and 27 are allowable. Thus, Applicants respectfully request claims 19 and 27 be allowed.

Claims 23-26 are dependent on claim 19. Since claim 19 is allowable, claims 23-26 are also allowable. Therefore, Applicants respectfully request that claims 23-26 be allowed.

Claims 31-34 are dependent on claim 27. Since claim 27 is allowable, claims 31-34 are also allowable. Therefore, Applicants respectfully request that claims 31-34 be allowed.

If the Examiner has any questions regarding this application, the Examiner is invited to telephone the undersigned at 775-586-9500.

Respectfully submitted,  
Sierra Patent Group, Ltd.
